

Fishing regulations Summio Villapark Akenveen

Dear guest,

Summio Villapark Akenveen is the perfect place to enjoy fishing to the fullest during your stay. There are several places in the park where you can sit comfortably by the water and cast your line. You can also fish from your own private jetty! In order to maintain the quality of the pond and fulfil the safety requirements, there are a few rules that you must follow.

About the fish population

The fishing lake at Summio Villapark Akenveen is known for its excellent fishing water, where an above-average number of fish are caught. We constantly monitor the stock and regularly replenish it with different species of fish. This way you can enjoy your fishing adventure to the fullest!

The following rules apply

Fishing is only permitted with a fixed rod

- Feeding the fish and baitboats are not permitted
- 1 rod may be used per person, maximum 2 rods per fishing spot
- Show consideration for other anglers
- The use of a landing net and unhooking mat is mandatory
- It is forbidden to take fish with you, you are expected to return the fish to the water immediately
- The use of storage bags is prohibited
- Clean up your fishing equipment, such as hooks and nylon, immediately after use for the safety of children and pets in the park, it is not permitted to leave fishing equipment behind
- It is forbidden to swim in the fish pond
- It is forbidden to fish in the swimming and diving lake

Mutual agreements between anglers or guests are not valid. The provisions of these fishing regulations are binding.

For more information or questions about the fishing regulations, please contact [+31 592 54 36 25](tel:+31592543625).

We trust that you will follow the rules of the fishing regulations and treat the fishing pond with respect. We hope you enjoy your fishing!

With kind regards

The team of Summio Villapark Akenveen
